### Mission of the Month: Flood Relief

Severe storms across the Midwestern and Southern United States have brought deadly tornadoes and flash flooding to millions of people. The funds raised for July's Mission of the Month will be sent to Lutheran Disaster Response and directly relieve those who have been affected, ensuring that survivors don't have to face the road to recovery alone.

To make a donation, write a check payable to Diamond Lake Lutheran Church with "Mission of the Month" in the memo line and drop it in an offering plate. You may also use the QR code above to make a donation. Thank you!
