DIAMOND LAKE
LUTHERAN CHURCH

Survivors, a play about the Holocaust and standing up to hate, weaves together the true, inspirational stories of 10 Holocaust survivors whose ordinary and joyful young lives were transformed by the Nazi regime. Illustrating the risk of normalizing hate, this uplifting work impels us to take lessons from the past and think about how we can create a safer, more inclusive community. This performance from Six Points Theater will take place in the Lakeview Room

Mission of the Month: ELCA DISASTER RELIEF FOR LOS ANGELES WILDFIRES

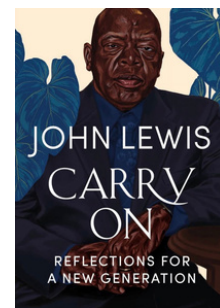

Wildfires have destroyed more than 12,000 homes and businesses, and have led to injuries and loss of life. Though we don't yet know the full impact of the fires, Lutheran Disaster Response is present to support the families and communities that are rebuilding their lives and is coordinating with the Southwest California Synod and Pacifica Synod to assess the needs of people impacted by the wildfires. These groups are working together to provide for immediate needs amid the destruction as well as to assist with recovery efforts for months and years to come. Read more about how to make a gift to Lutheran Disaster Response in today's bulletin.
