Celebrating Our Graduates!

Congratulations to the Class of 2024! Your faith family is proud of your accomplishments and sends you off on your next adventure with our blessings.

You are invited to join the grads in the Lakeview Room after worship for cake. Each of the graduating high school seniors will receive a journal filled with messages and blessings from our church community. The journals are on a table in the Commons Area; please inscribe them with a fun memory, advice for college, or words of encouragement. You don't have to know the seniors well—or at all—to do this. Even just a quick “congratulations” followed by your name will mean a lot.
