Vaccine Clinic Today!

We're hosting a Vaccine Clinic following worship today with pharmacists from Cub Foods on-site to administer the shots. Flu vaccines are available for those who are six months old and up, and COVID-19 vaccines are available for those who are 12 years old and up. The clinic is free with insurance—just remember to bring your insurance card!

We will also be playing some Bible trivia following worship. If you didn't bring your own Bible today, we have extras! Join us in the Lakeview Room for the fun and games.

Finally, if you are going to Greece in October, please head to the North Room following worship for our final information meeting. You may stop for vaccines on your way, or you will have time to get them following the meeting.

Join us to explore the financial status of our church, trends in religion, and surprising and fun statistics about our community and ministry. Come ready to learn, ask questions, and enjoy a fresh perspective on how numbers tell the story of our mission.
