Donate Blood in July

Wednesday, July 15

12:30-6:30 pm

Every two seconds, someone in the United States needs blood. A single donation can save up to three lives — and it only takes about an hour of your time. If you're eligible to donate blood, this is one of the simplest and most impactful things you can do for your community. Supplies are especially critical heading into the summer months, when donation rates typically drop but demand stays high. **If you gave blood at the May drive, you ARE eligible to donate again in July.**

Use the QR code to sign up for your preferred time to donate blood or contact Parish Nurse Parker Webster at parker.webster@dllc.org for assistance.
