An audio/video technician can be added to any of the above options for an additional fee. Similarly, white table linens may be added to the above options for an additional fee.
Guest Officiants	A note from Pastor Andrea Roske-Metcalf: <i>Hello! This congregation and I welcome guest clergy to officiate weddings here at Diamond Lake Lutheran. Given that we're an active worshipping community, and not simply a secular wedding venue, however, we ask that clergy who preside in our sacred spaces hold similar theological viewpoints to ours regarding marriage. Specifically, we ask that guest clergy require couples married here to participate in pre-marital counseling with a clergyperson or counselor/therapist of their choice, and that guest clergy hold an expansive understanding of marriage, inclusive of the LGBTQIA+ community. Guest clergy may not restrict marriage, in understanding or practice, exclusively to couples composed of a cisgender man and a cisgender woman, and instead must be committed to marriage equality that includes people of all sexualities, gender identities, gender expressions, abilities and disabilities.</i>
Guest Organists/Pianists	In accordance with guidance from the American Guild of Organists, the organist/pianist on staff at Diamond Lake Lutheran Church retains first right of refusal for all wedding ceremonies. Should you wish to invite a substitute organist/pianist for your ceremony, please contact Pastor Andrea Roske-Metcalf to discuss any necessary steps.
Wedding Coordinator	If you have any questions or wish for a more detailed breakdown of costs, please contact Diamond Lake Wedding Coordinator Julie Sarff at 952-484-3014 (cell).
